HOWLER

Well Folks, it's been a while

Sorry no newsletters have been out in a while. I am now assigned to our training division and the 40 hour work week seems to have been replaced by the 40 hour work day. I've been enjoying working with the newsletter but could sure use some help. Anyone want to help put some pages together, just send 'em in. Your efforts are greatly appreciated. The thing on most folks minds lately is the heat. Keep hydrated, not just beer neither. I like comin out to the range but not to have to pick someone up. With that said, please note that shooters meeting has been changed to 8:00 am with shooting to follow. This is scheduled for the next couple of months until it cools off a bit. Be safe out there. August' shoot will be Hawaiian. You can wear shorts if ya want, you just gotta wear a cowboy hat. I just repeat it, I don't come up with it.

Howdy Folks -

Just had this forwarded to us and wanted all those who know Tres Pinos and Querida to keep them in your prayers. Their son is Nando Ramirez...one of those we honored at the CA State Championships dedicated to soldiers in harm's way. Please read this note from Tie Long. If you would like to contact Tres and Querida, their email is tres_pinoskid@hotmail.com.

"Frank, can you please put out the word on the webpage that Tres and Terri's son that just returned from Iraq was involved in a motorcycle accident in Hawaii. He is currently in Intensive Care and Tres and Terri will be heading there on Sunday to be with him. Please ask everyone to keep the family in their thoughts and prayers. We will update you on any information we get in the next few days. Thanks, Tie and Kelly"
