Fantastic New Year's shoot, Long distance members from Canada, Helena Handbasket and Slim Delgado were here for the weekend and promise to return in April.

The work day was a success, all the leaves got blown out of town and across the fence. The red barn and assay office both got sorted cleaned, and vacuumed. The red barn now contains all the things needed, including paint to set a match. If you use up a supply of paint or clay birds please let the store keeper know, so they can be restocked. The assay office is now a hardware store with tools, nails etc. for range repair.

Utah says: "our regular monthly match at 5 Dogs Creek will be February 6-7. He and Lap Dog are setting up the stages and making other arrangements. Since Valentines' Day is only one week further along in the month, February 14, we encourage everyone to wear some "red and lace". And yes, you cowboys who are secure with your manhood may wear lace too! There will be a potluck on Saturday evening, followed by a quasi-romantic movie if the weather cooperates. By the way there will be some "lovely" awards following the main match and scores for both Saturday and Sunday. So, come and enjoy the Valentine shoot at 5 Dogs Creek!"

. Howdy All

Thanks to Mad Trapper of Rat River and Rebecca West we had three days of great shooting last month. The overall winner of the 3 days and 16 bays was Sam Ootie. It has come to my attention that some members have been writing scenarios for certain months for years and kind of own those months, I'm all for that. If you would get with me and let me know which month you own I'll be glad to mark it down on the calendar. Anyone that would like to do a month and we have some open I'll be glad to mark that down. We will be looking forward to seeing you all at the February match, written by Utah Blain and Lap Dog. I'm looking forward to seeing how they combine Valentine's Day and guns.
