## From the Mayor

Miss Foxi Schoolmarm

Another great shoot hosted by Utah and Lap Dog. Lap Dog even had prizes for last, first, and even in the middle. It was a great shoot.

A hearty cowboy welcome to Flip Uberti, High Court Drifter, Kee West and the darlin' Jackie. Hope we see ya'll back soon!!

March is looking like it is going to be even more fun. Fordyce and Leia are doing the stages, with 5 each day.

**Bones** is planning a 'How to hit poppers' workshop, tutorial is going to include a 30 minute video, as well as discussions and live fire.

Followed by a Spaghetti potluck and sitting around the campfire swapping stories.

**Coming in April**, B-Western Challenge, Summer Hours, and a Breakfast Pot Luck.

Howdy All

I would like to thank Utah Blaine and Lap Dog for great Valentine's Day match, hearts and all. The targets were placed at the SASS minimum distance, seemed like they were still close enough for some really fast times.

I announced at last month's match that there would be six bays each day, that has been reduced to five bays per day. The match will be put on by Fordyce Beals and Leia Tombstone. Anyone that has shot their matches knows to expect some good fun.

On Saturday Bones Brannon will be teaching a clay popper class, so bring some extra shotgun shells. You know if you skip it, there may be some at the State and or the Regional, if you take the class there won't be any clays in sight. It's just the way things seem to go.
