The February match was a GREAT success.

We are making new friends! A group of 4H kids, and their parents, are working on a Western Heritage history project on our range. We are excited they are here learning about our cowboy history. Please let them know we support their efforts.

These 5 Dogs Creek Kids are planning a whole pig cookout lunch for the April match. Deep pit pork, rice, beans, tortillas and salsa. \$10.00 per person. Let's all support these youngsters who are going to be the backbone of the next generation. Plan on staying for lunch in April.

Can you name this cowboy star?
How old is he? Where was he born? For answers to these and many other questions about life, shooting, mental therapy, attitude adjustments etc. be sure to read the Howler next month.

Sheriff's Log ...

Howdy All:

Well I hate to admit this but the *Mad Trapper of Rat River* was right again. The three-day shoot was just too much for me and I fell deathly ill the next week. I was just too sick to write my column for the newsletter, knowing full well I would be the recipient of harassment and severe chastisement. Anyway, hearing of my distress: nausea, diarrhea and extreme pain in my back, head, teeth and eyes, the good gentleman over-nighted me a bottle of Trapper Tonic. It was magic! Within hours I was my usual jovial and scintillating self. If you are hurting in anyway ask him to sell you a bottle. It's expensive but well worth it! Enough already.

February was another great match put on by *Mescalero* and *Calgary Kate*. The team shoot was outstanding with people dropping the baby, forgetting the baby, and some forgot what they were supposed to be doing altogether. Thank you both for a great weekend.

The March match is being staged by *Fordyce Beals*. Not sure if *Leia Tombstone* is involved but she is much too sweet to hang anyway. We may have to hang Mr. Beals twice.

I'm valiantly searching for some brave folks to write stages for any month from May to September. C'mon cowboys, it's time to step up and take your turn in the barrel.

Hope to see lots of you at next month's match.

Mad Dog Draper.

"Last night you did dishes. Today you're folding laundry. I don't care what you do, you are NOT buying another gun!"
