Our October match, She-Bang was a great match. The ladies of 5 Dog Creek did themselves proud again. The stages were fast while at the same time unique. We got a lot of compliments on the stage scenarios that people hadn't shot before. Some of the ladies worked on their stages right up to the last minute to make them fun for everyone. I need to thank a lot of people. Miss Barah Lee Misditt for heading up the match. Sam Ootie and Miss Barah Lee Misditt for setting a lot of the steel on the bays for the ladies that live out of town, the office staff, Dog Nabbit ticket sales, everyone that donated to and handled the raffles, and the Friday hot dog dinner and the team shoot. I'm sure I've missed a few, for that I apologize, everyone's efforts in making it a great match is appreciated. A job well done Ladies!

The November match will be put on by Utah Blaine and Bix Bender, I can't wait to see what they will have in store for us.

We will be going on winter hours starting with the November match. The registration office will open at 8:00 am and mandatory shooters meeting at 9:00 am, so we all get a half hour of extra sleep.

See you all at the range.

A Special Thanks To Deb Mann for taking the photos at She Bang. If you get yours I am sure still has some for sale.

THANK YOU COWGIRLS & COWBOYS!

The ladies of 5 Dogs Creek did a bang up match for the 2017 She-Bang.

Thank you to the ladies that stepped up to the challenge to write fast stages. The feedback I've received has been positive. Hopefully this will start a new trend and the match will grow in shooter participation.

To the cowboys which moved steel, critiqued scenarios, gave moral support and whatever else was needed, thank you! We couldn't have done it with out your assistance.

Thank you to the shooters that attended for your support and feed back. You are who we write this match for.

We hope to see y'all again at our next She-Bang. Bring your shootin' friends!!

Miss Barah Lee Misditt.

THE MAYOR'S CORNER.

Howdy y'all!!!! I have been busy at my other job, so I didn't send anything to the News editor. I know she can handle it though.

First of all, a huge thank you on behalf of myself and the 5 Dogs bunch for all the hard work that was done to plan, set up and shoot the She Bang October Match. I sure hated to miss it, but marrying off my youngest son was kind of a big event for my family. I was proud to be asked to officiate the wedding.

Starting with the November match we will change to Winter Range hours. Registration will be at 8:00 AM and mandatory shooter's meeting will be at 9:00 PM. Also, the time changes that week end so remember to change your clocks.

A big thanks to Utah Blaine and Bix Bender for writing the stages and setting up the November match. It should be interesting to see what they come up with. There will be a movie Saturday night as well as a potluck dinner.

December's match will have a special potluck,. The club will furnish turkey for every one so bring your best Christmas sides to go along with it.

Hope to see you all at the shoot.

FUN TIMES AT BODERTOWN 2017

Several of the 5 Dogs members and some good friends went to Bodertown in October. They all look great and I hear it was a great time had by all.

Our own Buddy Love and Sister Sangria went off and got hitched while there...a second time. What lovely looking couple.

The bunch also brought home some bling. Lap Dog was awarded a silver medal in Long Range Single Shot and a Bronze in both the 6 and 4 man team shoot. Mad Trapper of Rat River brought home gold medals in both the 6 and 4 man team shoot.

Buddy Love 10th - Gunfighter
 Sister Sangria - 8th - Lady 49er

Editorial

Hello friends,

I have to apologize for the quality of the newsletter the last few months. There is no excuse, but things have been a bit hectic for me the past few months. Add to that some meltdown moments with my computer set up and it just snowballed a bit.

This issue is a little bit light, since I wasn't at the October Shoot. I have to thank Wanderin Rose for posting all the news for the bunch that attended Bordertown. I borrowed her photos to include with the news she posted.

If I have missed any news, or neglected a mention that needed to be published, please email me at CalicoBlueCA@gmail.com and I will make sure it does get in a future newsletter.

Thank you,

Calico Blue
