Sheriff's Log

Howdy All

Our April match was technically put on by Utah Blaine. Fordyce Beals wrote the stages for March and due to rain we were unable to use 5 of the stages, Utah decided to use Fordyce's 5 stages in April due to April being a one day match because the range being closed for Easter Sunday. There was some concern over who would go on the wall of shame if there was a procedural. Those concerns were put to rest with Fordyce and Leia both shot clean matches.

I would like to thank Fordyce Beals and Sam Ootie for being posse leaders at the last minute. I would also like to thank everyone that helped shutting down the range.

The May match is being put on by Coyote Carson, I won't speculate on what he is going to do, last time I was wrong. One thing from past history we can be sure of it's going to be fun.

During our May match the 4-H will be putting on their state match. We cannot park any trailers along the fence line due to possibility of ricochet damage to trailers, and, also we need that area as a fire lane.

See you at the range

THE MAYOR'S CORNER.

Greetings y'all,

I just wanted to take this opportunity to express my gratitude to the 4-H members for all the hard work they have done over the past few week ends to tame the jungle around the range. The rains we thankfully experienced over the past few weeks really had the place over grown as well as some damage to a few trees. They put a lot of heart and sweat in to cleaning up.

5 Dogs will be the host range for the 4-H State competition this month as well. They will be offering up some great meals both days.

Saturday night will be our usual potluck. Since Cinco De Maya hits that week end, Calico Blue and I will be furnishing chicken and beef for fajitas. The 4-H bunch has graciously offered to do all the cooking and will be providing the fixings. I'm also making a big bowl of guacamole, and there probably...ok there will be... some margaritas available. Bring your favorite dessert or side dish and join in the fun.

Keep your powder dry and see you at the range.

Panhandle Red, Mayor
