Sheriff's Log

Howdy All

The May match was put on by Coyote Carson and as usual it didn't disappoint, it was fast and fun, great match and thank you for doing so many matches this year.

We installed a new printer, scanner and copier which will give us more capability in the range office but in doing so it killed the communication between the computer and the Wi-Fi system that runs our scoring system. Miss Barah Lee Misditt had to put all the scores in by hand for both days. Thanks to her efforts and some well needed help from Tex Wayland they believe the problem is solved. A special thanks to Miss Barah Lee Misditt!

The June match is being put on by Kaweah Kid, I'm sure it will be an interesting match. He showed me some of the ideas he had in mind a couple months ago and it looked like fun. Due to where Kaweah lives he will be out at the range on the Friday before the match to set some of the steel and do some finishing touches. Any help he could get from the people that are out there on Friday would be greatly appreciated.

See you at the range and drive safe.

Mad Dog Draper

THE MAYOR'S CORNER.

Greetings y'all,

I want to say thank you again to the 4-H members for all the hard work they have done around the range. Also a BIG thank you to all the cooks for the wonderful food during the May match.

The annual elections for city council will be held in June. I also wanted to let everyone know that if you are interested in adopting a bay ... Bays 3, 4, 5 and 10 are currently open for adoption.

Bay Responsibilities:

Keep clear of weeds

Rake cut grasses and shot shell hulls

Fill in divots created around targets

No painting without Town Council approval

Major repair issues must be brought to the Town Council

Calico Blue and I are headed to the 3 Annual Lazy Arrow Shoot Out, hosted by the Pozo River Vigilante Committee for Memorial Day Week-end. I know some more of the 5 Dog's gang is joining in the fun as well.

Keep your powder dry and see you at the range.

Panhandle Red, Mayor

It is great to see the interest and enthusiasm of the younger generation attending the monthly shoots. They are the future of our sport. In keeping with the traditions and customs of the era, some of the younger children were playing a game of marbles. Thank you Mad Trapper of Rat River for sharing this great photo.

If anyone is interested, a great article on the history of the game of Marbles and terms used for the game, it can be found at this link.
