ATTENTION SHOOTERS!

Just a reminder to all shooters. August monthly match casual wear is allowed, so dress for the heat. However, mandatory safe footwear (no sandals) is required. Protection for eyes and ears are always required.

Remember to take in lots of fluids. Electrolyte tablets to put in water bottles will be available as well to help prevent dehydration.

Rest when you can and if you feel that you are having problems, or see that a fellow shooter is having problems with the heat please bring it to some ones attention.

Sheriff's Log

Howdy All

Thanks to Sam Ootie our July match was a great one, fun stages and most of the stages were on a bay that kept us in the shade of our trees. There was some movement but as little as possible to deal with the heat but still kept it fun. Thanks Sam for a fun weekend!

Our August match is also being put on by Sam Ootie, the stages look like a lot of fun again and if you missed the July match you have a second chance to enjoy some great stages. Sam has tried to channel Sinful to give those of us that will be at Chorro the following week for the California Regional State Championship a good warm up match.

The August stages will be on the same bays as last month due to the expected heat. Remember to drink lots of water and get in the shade if you feel even a little bit like you're getting overheated.

See you at the range

THE MAYOR'S CORNER.

Greetings y'all,

We had another hot time in the old town last month, literally. August will be casual wear, so shorts and short sleeved shirts are fine. All footwear must be closed toe, so no sandals. As always, protection for eyes and ears are also required. Water is available during the shoot so please drink lots of fluids and keep yourself hydrated.

As usual there will be a potluck on Saturday night.

Hope to see everyone at the range.
