Range Work Party

In an effort to get ready for the She-Bang in November there will be a work party on September 22 starting 'early' in the morning to beat the heat. There are rakes, hoes, and all the equipment needed to 'spruce' up the range in our red barn so just bring your work gloves. And if there is time, perhaps the wood pile can be re-stacked. Who knows, it may get cold enough for a fire this winter!

My lovely assistant, Utah Blaine, and I will be providing hot dogs with all the trimmings and chips for lunch so please join us.

If you cannot make the work party but are able to come a different day to work on your Bay, please let me know and we will not clean your Bay. This will free up members to work on other parts of the range.

Also, the boardwalk around the office needs to be repaired. If you were wondering what was under the rug, it is the deteriorating boardwalk. This will be done hopefully in November, so if you have any ideas on how to do it let me know.

I look forward to seeing you on September 22.

Howdy All

I'm starting to sound like a broken record; most of us are old enough to know what that means. For the second month in a row Sam Ootie put on a great match, fast and fun. I personally find all matches fun, anytime you can visit and shoot with friends I can't have a bad time.

The September match is being put on by Utah Blaine. I have been told you may need to use those pointy things at the end of your gun barrel. It looks like we're in for another good time.

I'd like to congratulate everyone that walked away with bling from the Western Regional Championships at Chorro. 5 Dogs Creek was very well represented in awards and in sheer numbers, everyone seemed to have a great time. Thanks to everyone at Chorro for having us and showing us such a great time.

I'd like to say a special thanks to Foxey School Marm and El Alacran Del Norte for hosting the Friday night potluck this year and for so many years in the past. I can't think of a better way or better people to spend a Friday night with.

See you all at the range

THE MAYOR'S CORNER.

Greetings y'all,

A large number of S Dog members had a grand time at the 2018 SASS Western Regional in August, hosted by Churro Valley. The weather was great. I want to thank Foxey School Marm and El Alacran Del Norte for once again hosting our potluck for the club members. As always the food was fantastic. Bones showed up and gave Wanderin Rose a spin in his bat mobile.

Almost every member came away with a medal, and congratulations goes out to Coyote Carson for winning top cowboy.

A work party is planned for Sept. 22 to get the range ready for She Bang and a few repairs that are needed.

Come out for the September matches, as always there will be a potluck on Saturday night.

Hope to see everyone at the range.
