# Range Work Party

We had so much fun during the work party in September, even if it did get a little warm! Lots of help means the range looks great. And when you sign in to shoot for matches you will not have to worry about falling through the boardwalk! IT LOOKS GREAT! We're still thinking about what we want to do for the railing, so it is still a work in progress.

Thank you again to Big Dog Jim for all his hard work and leading the charge in the repairs. Thank you to Bix Bender for using his truck and trailer to pick up the lumber and bringing it out the range. A big thank you to Liebre Kid for bring his 'weeder' and cutting down the weeds on the back of some of the berms to make those little, far away targets usable!

If I tried to list everyone who helped I would run out of room! So a big THANKS to all of you!

Howdy All

The October match was put on by Buddy Love, it was a fun match, with a handgun reload and also shooting the Texas Star with your handgun. Thankfully Sister Sangria disavowed any responsibility for the match or we would be adding a name to the wall of shame. I think everyone had a good time both days. Thank you, Buddy Love, for all your hard work, also Sister Sangria for helping him set it up.

The November match is She Bang, put on by the lovely ladies of 5 Dogs Creek, if you bring an unwrapped present for Toys for Tots valued at \$10.00 or more the shooting fee for that day will be reduced to \$10.00. We will be doing this on both days, one gift each day to get the reduced shooting fee for that day. We will also be selling Dog Nabbits 5 for \$10.00, you can use them to erase a miss they will not erase a procedural or a safety, any unused Dog Nabbits you can put in the jar for the drawing after the match. If you make out a check for the Dog Nabbits to Toys for Tots your donation would be tax deductible.

No one other than shooters and Persons working with the posse are allowed on the stage past the split rail fence. Eye and ear protection are mandatory. All visitors and onlookers on the range between the split rail fence and the drive way eye protection is mandatory and ear protection is recommended. Everyone on the range while we are shooting must sign the release form at the club office, if there are minor children their guardian must fill out the form and sign the release for them. It is the responsibility of all club members to enforce these rules for everyone's safety, be polite but firm. There is eye and ear protection in the office for club members to loan out to any visitor that may need it.

Active members with a valid membership card can use the cowboy range on the days the main range is open. You will need to go to the main range office and sign their release form and pay their daily shooting fee and show your valid membership card. You must have your valid membership card or you will be turned away and not allowed to use the cowboy range. If this happens, this will be your fault not Dave Olds or any of his range employees, please treat them with the utmost respect. If you find someone or group of people shooting on our range that you don't recognize ask to see their membership card and don't feel insulted if you are asked to show yours. Let's all protect our range the props and the targets. Any time you're on the cowboy range all SASS ammunition rules apply.

See you at the range

Mad Dog Draper

## *THE MAYOR'S CORNER.*

Greetings y'all,

Just a reminder: November match we will be on Winter Hours. The office will open at 8:00 am for registration, mandatory shooter's meeting is at 9:00 am. All members and visitors must sign a release, whether you are shooting or just watching.

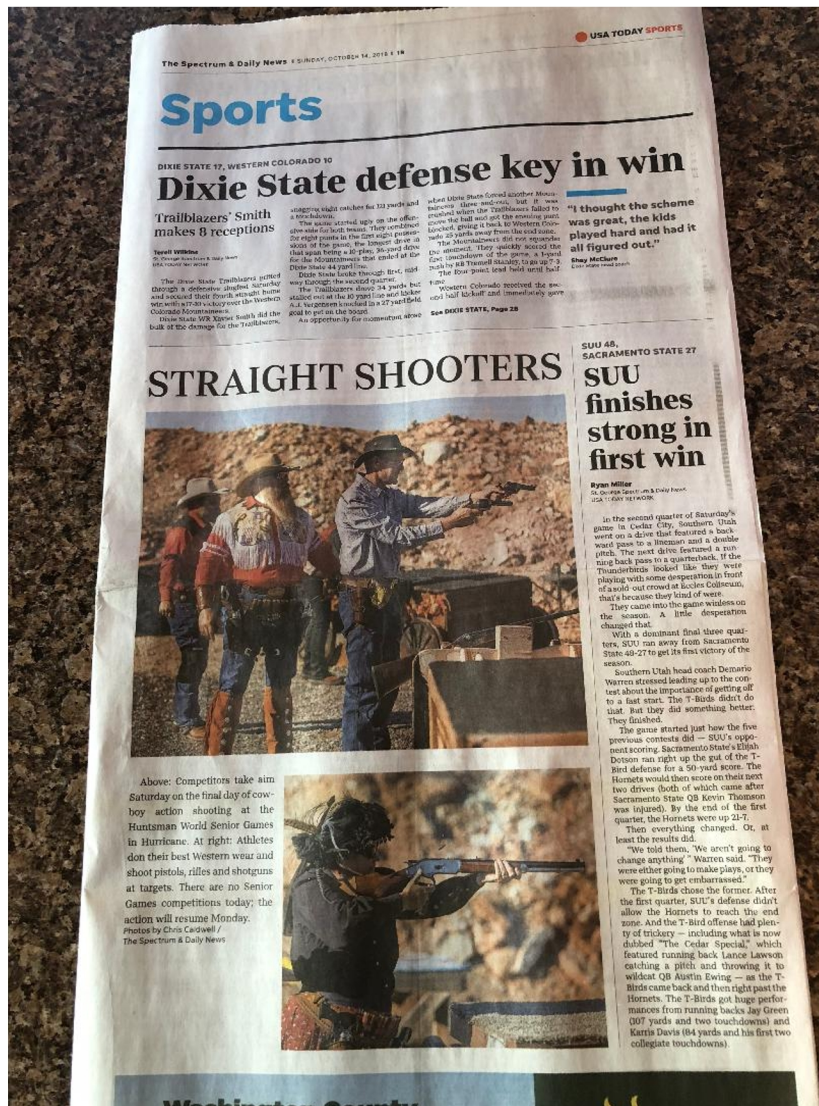

I wanted to take this opportunity to thank all of the 5 Dog members for all the work they put in to cleaning and repairing the range. She Bang is coming up quick and the ladies are hard at work to put together an awesome good time.

The club will be providing hot dogs and fixings for everyone on Friday night, Saturday night will be a "bacon themed" potluck. My sweetheart, Calico Blue, and myself will be furnishing lots of pork (smoke ribs, pulled pork and pork belly) so bring your favorite "bacon themed" side dish or dessert to share. There will also be a movie on Saturday night after the meal.

Several members will be attending and shooting at Bordertown, so wishing all good shooting and have fun.

Hope to see everyone at the range.

Panhandle Red, Mayor

Howdy 5 Dogs Members,

Some of our members traveled to Utah to participate in the Senior Games held there early in Oct.

Lap Dog was featured in the local newspaper. They picked up some awards as well.

Wandering Rose - 2nd - Single Shot Long Range, Mad Trapper of Rat River - 2nd - in his category, Lap Dog and Utah Blaine - 3rd - Costume contest.

Great job! I know they had fun.

Hello citizens of 5 Dogs.

I just wanted to take a moment to speak to the members. I want to thank all the members that have worked on the repair and clean up of the range. Also all the behind the scenes jobs that get done so that we can have safe, fun shoots each month.

I also want to thank all the ladies involved in creating She Bang for the November match. You all have made my job as the coordinator much easier. I hope to see many for this fun match that will bring a lot of happiness to so many kids through the Toys for Tots organization.

Several of the 5 Dogs Creek members will be traveling to Arizona this month and participating in Bordertown 2018. Good luck, good shooting, stay safe.

Also, if you travel about and participate in matches, please take photos and email them to me along with results. We all love to see what our fellow shooters are doing and where they are traveling.

Thank you,
