Sheriff's Log

Howdy,

The ladies of 5 Dogs Creek did themselves proud with our November match also known as She-Bang. There were ten stages put on by ten ladies. they were great stages and everyone seemed to have a lot of fun. A big thank you to the ladies of 5 Dogs Creek, for all the stages and all the effort put into the raffle. Thanks also to Miss Barah Lee Misditt for the great Team Shoot.

I'd like to thank the office personnel for their efforts in registering shooters and putting in the scores after the match. We had a few computer issues, everyone was very patient while we took care of these issues.

Since I don't think it will be in the mayor's notes, I'd like to thank Calico Blue and Panhandle Red for supplying the meat for our Saturday pot luck and to Panhandle Red for getting up at 4:00 am to start cooking it.

Our December match will be put on by Mad Trapper of Rat River, I'm not sure what role Wanderin Rose will have had played in the stages for the match but it does look like a lot of fun.

Hope to see you all at the range.

Mad Dog Draper

THE MAYOR'S CORNER.

Greetings y'all,

I want to send out a HUGE thank you to all the Ladies of 5 Dog Creek for a very successful She Bang - November Match. I am proud of our club for their generosity for this year's charity, Toys for Tots. We handed over 4 big boxes full of toys for the kids and a generous check amounting to over \$800. They were very appreciative and had many good things to say about our group.

Mad Trapper and Wonderin Rose are writing the stages for the December match. Guess that is enough said. Looking forward to shooting it, I know it will be fun.

As usual, there will be a potluck on Saturday night. Foxi Schoolmarm and El Alacron are cooking turkey for the meal so bring us a taste of your favorite holiday side dish.

Hope to see everyone at the range.

Panhandle Red, Mayor

Our club is like a family, when a family member goes down or hits a hard patch we like to send them all of our support. I want to share a post that Geo Kid and Lady Gunner's grand daughter Samantha McDonald posted to the 5 Dogs Creek Facebook page. She has also started a Go Fund Me account for them.

Many of you know my grandparents Geo Kid and Lady Gunner.

I would like to let everyone know my grandpa was diagnosed with AML leukemia, it is a terminal diagnosis. I'm just asking if there's any way possible even if it's just a little if they can get the support from our Cowboy community.

Thank you,
If you have a questions please message me.
