Howdy All

Our January match was put on by Utah Blaine and Bix Bender. It was a great match and would have been even better if we could have shot Sunday. It started raining about dinner "Pot Luck" time and rained through out the night. The range was pretty wet come Sunday morning.

A special thanks to everyone that helped shut down the range on Sunday.

Our February match is being put on by High Cotton, it looks to be a lot of fun. High Cotton offered to do the February match back in December at or monthly match. I have a feeling he was sitting on these scenarios waiting to spring them on someone because I think they beat me home from the range that weekend.

See you all at the range drive safely.

THE MAYOR'S CORNER.

Howdy fellow citizens of 5 Dogs Creek!

We had a great January match, even if it was just on Saturday. We started 2019 off well with 23 shooters. The stages were challenging and a lot of fun. We ran 1 posse, and with having the extra help, many of the shooters grabbed rakes and made mounds of the fallen leaves moving them outside of the fence during the match. I can't thank everyone that grabbed a rake enough.

A big thanks to Utah Blaine and Bix Bender for writing the stages. Unfortunately, Sunday's match was rained out. Saturday night's potluck theme was "Stone Soup" and the participation was great, as was the soup.

February's stages are being written by High Cotton. Looking forward to great matches. As always, there will be a potluck dinner on Saturday evening.

By now I think everyone knows that 5 Dogs Creek Range raised the prices this year. The town council still has not decided how much we will raise the match rates, if at all. A town council meeting will be held Saturday afternoon and should have the answer for everyone for the Sunday match.

Can't wait to see everyone at the range for the February match.
