Sheriff's Log

Howdy All,

The February match was put on by High Cotton.

Saturday we were only able to shoot two bays before the rain got to be too much. It rained pretty much all day and night Saturday, needless to say by Sunday there was too much mud on the range to shoot.

Coyote Carson was writing the March stages, he has graciously agreed to let us try to shoot High Cottons match in March.

As I said we only got two bays into the match, according to the ten shooters the stages were not confusing at all, however there were 11 misses and 4 procedural. I didn't count the misses for the one shooter that didn't finish the last (2nd) stage due to the rain!

See you all at the range and lets all pray for good weather.

Mad Dog Draper

THE MAYOR'S CORNER.

Howdy fellow citizens of 5 Dogs Creek!

The weather has just not been favorful lately for shooting. While our area needs the rain, sure wish it would hold off a few days so we could have some fun shooting together.

February's stages were written by High Cotton. And even though we only shot 2 stages on Saturday, a few of us had a round of fun shooting for grins on Sunday. Coyote Carson was scheduled to write the stages for the March match, but has graciously agreed to let us use the set up left from High Cotton. As always, there will be a potluck dinner on Saturday evening, weather permitting.

By now I think everyone knows that 5 Dogs Creek Range raised the prices this year. The town council still has not been able to meet yet, so no decisions have been made.

Can't wait to see everyone at the hopefully dry range for the March match.

Panhandle Red

it could be worse.

Fellow citizens of 5 Dogs Creek,

It is that time of year again, so if you have not paid your membership dues, please due. This will be the last month to pay with out penalty. You don't want Miss Barah Lee Misditt to have to come hunt you down.

Also, the registration is open for some upcoming Annual events in our area. They are always a fun time so fill out your forms and get registered.

As always, if you have any news you would like to have included in the newsletter, please email it to me.

Thank you,

Calico Blue,
News Editor
