Howdy All

Our May match was put on by Coyote Carson and as usual It was a great match. Everyone seemed to enjoy themselves and there were some really fast times when the scores were read.

Our June match will be put on by Bull McFearson, we will be looking forward to see what he has put together for everyone's enjoyment.

Thank you all for a great turnout last month.

See you all at the range

THE MAYOR'S CORNER.

Greetings citizens of Five Dogs Creek!!!

We had a great shoot last month. Big thanks to Coyote Carson for putting it together. The stages were fun and a good time was had by all.

The Cowbell Gang was at it again. Bull, Mad Trapper, and Buffalo won a Nobell Prize on Sunday. Yours truly was not so fortunate

We are looking forward to the June match. We will be having town council elections. If you want to serve please be there. Their trailer is all fixed up now, so Foxi Schoolmarm and El Alacran Del Norte, will be BBQing ribs for the potluck on Saturday night. Everyone bring a favorite side dish to go with it.

Thank you,
Panhandle Red, Mayor

It seems to be raining again which means the grass will continue to grow at the range. I'm not sure when I last saw the grass so thick and tall. I'm sure those that have been coming out to the range can remember the days when the grass was always like that in the spring and summer.

Tall grass makes it difficult to maneuver the gun cart and harder to find those pesky, and dangerous, snakes! So thank you to those who have helped keep the grass down, on the range and the bays. A special thank you to Panhandle Red who worked hard at weed whacking the Friday's before our shoots in April and May!

Thank you to all the bay proprietors for working hard to maintain your bay. We notice but sometimes forget to say thank you. So, if you get a chance, thank a bay proprietor for the work they put in.

That said, the Town Council has been discussing much needed repairs at the range. With graduations, vacations, and hot weather coming up we are not sure when we will schedule a work party to tackle some of those repairs. If you're interested, even if you're not but are willing to help out, talk to me and we will see what we can put together. Until then, watch for more information in upcoming newsletters.
