IT'S HOT!

Remember to keep hydrated and try to keep cool. If you notice a fellow shooter possibly having problems, please ask them, mention it to the Posse leader.

Sheriff's Log

The June match was put on by Bull McFearson. Bull told me that he had written the stages five years ago. It became obvious that he had been holding out on us because everyone had a good time and a lot of great comments were made about the match.

We got to see the cowbell change hands multiple times, those that are playing are having a great time. I would not suggest playing unless you're willing to wear the bell and put up with the verbal harassment that comes with it. So, if you do play remember even the best shooter has a train wreck from time to time so it could be you.

The July match will be Hawaiian or summer dress, short sleeve shirts and tennis shoes will be ok, no open toe shoes or sandals will be permitted. We are allowing the dress code that we have permitted in past years.

The July match is being written by Sam Ootie, I have not seen the stages yet but I expect them to be fast and a warm up for the Western Regional Championships at Chorro in August. Sam will also be Writing the August match attempting again to channel Sinful's mind as he has done in years past.

I'd like to thank Panhandle Red for all his help he has given me for the past few years as Mayor of 5 Dogs Creek your service as mayor has been much appreciated. I'd also like to welcome Coyote Carson as the new Mayor. I'd like to thank you both and the town council for stepping up and keeping the club running.

THE MAYOR'S CORNER.

Greetings and salutations citizens of 5 Dogs Creek.

We had a great match last month and we had 2 full posses. Thanks to Bull McPherson for a great match. The cowbell gang was at it again and we had quite a few cowpokes participate. There were a few nobell winners, I was not one of them.

Looking forward to the July shoot, it's going to be hot so for July and August we allow casual dress. Hawaiian shirts, short sleeved shirts, or T-shirts and shorts . Can wear athletic shoes, but closed shoes, proper eye wear and ear plugs are still mandatory. We want everyone to shoot safely. Start hydrating a couple of days before the match.

As you all know Coyote Carson will be taking over as mayor. We will be transitioning the mayor ship to Coyote in July. It has been an honor to be your mayor for the last 2 years.

Looking forward to seeing all of you in a couple of weeks!!!
