Sheriff's Log

Howdy All,

I'd like to thank the ladies of 5 Dogs Creek for a great She-Bang. For those that don't know She-Bang is for fun and our big fund raiser for a charity which the ladies pick. Some stages were fast and some more challenging, some had you making decisions on shooting positions and others you decided either to go for a bonus or pass on it. We make the money by selling Dog Nabbits at \$10 per 5 to erase 1 miss per Dog Nabbit. The Shriners got a pretty good check from the ladies of 5 Dog Creek and we got an interesting match. Thank you to all the ladies for all your effort you put into the weekend and for putting on a great 2019 She-Bang.

Our December match is written by Utah Blaine. He has written a good match. This month's match is back in line with our standard cowboy matches. Come out and go for your fastest times but remember you can't buy a miss back this month, be safe and have fun.

I still need people to write the stages for February, March, April and June matches, so if you're willing let me know.

Be safe driving to the range, see you there.

SHE BANG

2019

Fellow 5 Dogs Creek Members,

On behalf of the ladies of 5 Dogs Creek I would like to thank all those who attended (and those who sent us happy thoughts) the 2019 She-Bang. It was a weekend filled with two days of shooting; at fun and challenging stages, shooting one of the best team shoots ever, and a lots-of-fun speed events. The ladies went out of their way gathering prizes for our raffle and there were lots of winners.

The biggest winner was the Shriners! The sales of 'Dog Nabbits' raised over \$900.00 for the Shriners. You can always count on cowboy shooters to step up for a charity!! And shooters were winners also, some being able to collect their first 5 Dog Creek 'dog' for a clean match.

We look forward to seeing you at the range throughout the upcoming year as well as the 2020 She-Bang.

Lap Dog

Thanks,
Lap Dog

THE MAYOR'S *CORNER.*

Hi my fellow action shooters.

We are finally receiving some rain... well maybe just a sprinkle depending on where you live in the valley.

Besides having a monthly match this November 30 and December 1, we are going to have a general meeting after the scores on Saturday. All club members are all invited to attend and participate in the meeting. I expect the meeting to last about 30 minutes or so. Remember this is your club and Your input is valued by your city council.

Thank you and shoot straight.

DECEMBER MONTHLY MATCH WILL INCLUDE A .22 CALIBER COMPETITION.

Saturday afternoon at the December match there will be a .22 Caliber competition. Everyone bring your .22 rifles or pistols. If you are lacking .22 ammunition, some will be provided. This competition will take place after lunch and after the scores are presented on Saturday afternoon.

A “valuable” prize will be awarded to the first place winner of this competition, and to the DFL (Dead Frigging Last) competitor.
