THE MAYOR'S CORNER.

This March has brought us Friday the 13, full moon, time change, and closure of bars. Now Coronavirus has shut down the state except for essentials. I know we will survive these crazy times.

As much I love this game we call Cowboy Action Shooting, your safety has been, and will always be, 5-Dogs Creek's biggest concern. Therefore, we will NOT shoot this April. We will be following Federal and State guidelines and we will be closed until notified otherwise.

Let's stay positive and use our FaceBook to stay connected to all our friends at 5-Dogs Creek. Stay Safe and Healthy.

Sheriff's Log

Howdy All

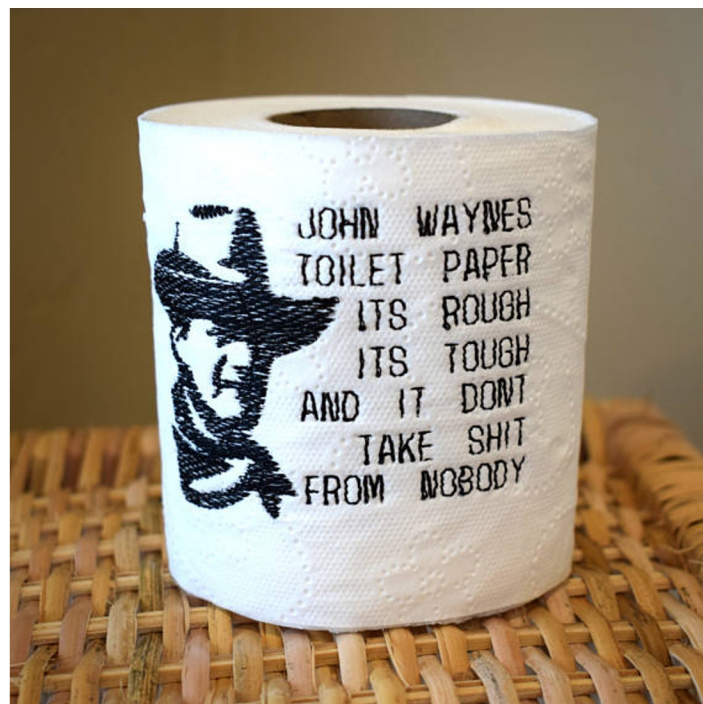

Our March match was put on by Miss Barah Lee Misditt, everyone had a good time, even Sam. There were a bunch of old targets she dug up; I'd forgotten how much fun they were. Thank you, Miss Barah Lee for a great match and the trip down memory lane.

Our April match was being done by Utah Blaine, looked to be a good time. It's was going to be fun with some big bonuses, just what we have grown to expect from Utah, thanks for doing the match. Due to the range being shut down we may be shooting it in the upcoming future, not soon enough for a lot of us.

I hope this newsletter finds everyone and their family's healthy and well. We will update everyone trough the newsletter as soon as we know when we can resume shooting.

Until we meet again stay safe.

Does anyone know who this handsome frontier hunter is?

Fordyce Beals turned in the correct answer. This is an early photo of Theodore Roosevelt.
