First of all I would like to thank Coyote Carson for putting together our New Years shoot. I think everyone had a great time.

I also want to thank Red for cooking all the meat for the Friday night potluck.

We are going to have a general membership meeting after the scores are read on Saturday. We have some business to take care of and then we want to hear your feedback on what you like about 5 Dogs , what you think we need to change , and any suggestions you have . It won't be a long meeting, just would love to have your feedback.
