Share Your Ideas.....

Hello I am Leia Tombstone your new newsletter editor. My goal is to make the newsletter a vehicle for everyone in the club that wants to say something or toss out an idea. If you have an interesting photo those can be published as well. Is there some aspect of the club you'd like to know about? Want clarification on a SASS rule or club tradition? Your ideas for the newsletter are more than welcome, they are the heart of the content. My email address for your submissions is:
newslettersubmissiononly@outlook.com
I hope to hear from you soon!

Sheriff's Log

Howdy All

We had a partial election at the October match on Saturday and Sunday, we are proud to announce we have two new board members, Buddy Love was voted in as Mayor and Leia Tombstone as Editor, were happy to welcome them to the 5 Dogs Creek town council.

Due to the change in operating hours at 5 Dogs Range we have made the decision to change our hours also. The office will open for registration at 8:00 am year-round and we would like to have everyone registered by 8:30. After registration we will have a short meeting followed by some fun shooting.

The October match was written by Fordyce Beals, he wrote stages for all ten bays. It was a really good match and everyone had a good time. We will be looking forward to another match from Fordyce in February 2021. Thank you for such a great match and for volunteering to do the February match too.

Our November match will be written by Mad Trapper of Rat River, we'll have to wait to see if it's gunfighter friendly. He is to more than likely to include some stages from his travels to other ranges.

Our December match was going to be She Bang, due to Covid 19 we would not be able to have a raffle or a pot luck so we have decided to not have the She Bang this year. Since the ladies have already done most of the work, we will be having The Ladies of 5 Dogs Creek match, all ten bays will be used and each bay will be written by one of our lovely ladies.

Hope to see you at the range

October 10 at 8:00 PM
Dear 5 Dogs Creek and CAS family,

It is with deep sadness that I inform you of the passing of our dear friend El Alacran del Norte (Jess Sanchez) on Wednesday, Oct. 7 following a series of strokes.

Jess had been involved with 5 Dogs Creek for many years. He served as Store Keeper for several years and was a fixture of our club. He was always there, ready to assist with firearms, shooting instructions, cooking and just about anything else you could think of. Jess loved to BBQ anything from hot dogs to turkeys. He and Marianne often cooked the main dish for Saturday night potluck.

Jess and Marianne would camp at the range extra days around the match weekend. They always made sure the little things that needed to be addressed were done before the rest of us showed up for the matches and cleaned up after the match was over.

As per Jess's request, no services are planned and he will be buried at sea.

If you would like to send a card of condolences, please contact me for Marianne's address.

Marianne is planning to continue to support the club by attending our matches. We welcome her with open arms.

Happenings On The Range

We are finally headed into fall and soon, hopefully, we will get some much needed rain! Just not on shooting weekends please! The range is looking great, all the hard work Sam Ootie did with putting down pre-emergent and spraying with Round-Up means we haven't had the issues with the weeds this year as we have in the past. I haven't talked to Sam yet to find out if he is willing, or plans, to do that work again this fall. If he does and wants some help I'll put out a call to find him some. And if I'm correct, this is the year the building will need to be sprayed with water sealer. Another job that may take a few people, but I'll check with Sam Ootie first.

Definitely before it rains the outhouse roof must be fixed. That last rain we had, so long ago I can't remember when, caused a leak and one of the ceiling tiles to come down in the men's bathroom. Hopefully there are a couple of shooters out there that can help repair the roof this month. With Covid-19 we do want to make sure safe procedures are in effect.

Also, if anyone is interested in taking over as Range Wrangler when we have elections please consider it. As you can tell, you don't have to be handy with a hammer! Looking forward to seeing you on the range,

Lap Dog

Range Wrangler

5 Dog Creek Merchandise

I am hoping that all the merchandise everyone ordered comes in by the time we shoot. It should be and I will have your totals when you pick up your order. Cash or check only please.

It's getting colder so now is the time to get your 5 Dogs Creek sweatshirt or long sleeve tee! Remember, 5 Dogs Creek merchandise makes great Christmas gifts

Lap Dog

Halloween

5 Dogs Creek ladies, join me in some trick or treating on Saturday October 31st at the range in the evening. So much fun!! All those cowboys better have some treats or we will have some tricks up our sleeves.

More info on Saturday at the range,

Lap Dog

LONG RANGE: Women's

Miss Barah Lee Misditt – Single Shot Smokeless – 2nd

Single Shot Black Powder – 1st

Rifle Caliber Lever Rifle – 1st

End of Trail and Winter Range Changes start in 2022

Winter Range will be shooting their 30th annual in 2021 and End of Trail will be shooting their 40th annual in 2021. You absolutely do not want to miss either of these great shoots. They are going to be GREAT matches, and you will want to say "I was there"!!!! Then come the big changes:

SASS HQ will no longer be the host of the World Championships — End of Trail — after 2021. Upon the conclusion of hosting the 40th Anniversary of END of TRAIL at Founders Ranch in Edgewood, NM — scheduled for June 17-27, 2021 — a significant shift in the sanctioning structure will take place. In 2022, the 41st Annual END of TRAIL, the World Championship of Cowboy Action Shooting™ and Wild Bunch Action Shooting™ will be hosted by the Arizona Territorial Rough Riders at Ben Avery Shooting Facility

To be clear, starting in 2022 the Arizona Territorial Company of Rough Riders who has been hosting Winter Range will be hosting the World Championship End of Trail starting in 2022. The same group/board that has been producing Winter Range for these many years will now transition to hosting the World Championship. The dates for EOT in Phoenix in 2022 will be the same time in February.

The name "Winter Range" will be retired, and the National Championship will be moved to Land Run.

The Oklahoma Territorial Marshals have successfully presented Land Run — the SASS Southwest Regional Championships — and numerous other world-class events for many years. Centrally located in Oklahoma City, Oklahoma, the host range and grounds are spectacular and offers only the finest in props, targets, layout, and facilities. This phenomenal event is bookmarked by an awards banquet held in the prestigious National Cowboy Hall of Fame. Land Run will be the SASS Southwest Regional Championship in 2021, but will become the SASS National Championship beginning in 2022.
