

LADY AND THE TRAMP

COUPLES' SHOOT - STAGE 5

LADIES, GRAB A COWBOY - NICELY, OF COURSE. COWBOYS, CORRAL A COWGIRL. EVERYONE IS ENCOURAGED TO SHOOT ... AS MANY TIMES AS YOU WANT! PAIR UP AND GET IN LINE FOR A TAIL-WAGGIN' GOOD TIME. SHOOT WITH AS MANY PARTNERS AS YOU WISH, BUT ONLY COUPLES WITH MIXED SETS OF CHROMOSOMES CAN QUALIFY TO WIN.

Each shooter: 10 pistol - 10 Rifle (+ reload(s)) - As many shotgun as needed

Couple begins at Position 1, facing each other with hands on your partner's hat. Rifle and shotgun are staged safely. To indicate ready say an appropriate sentiment loud enough for the crowd to hear.

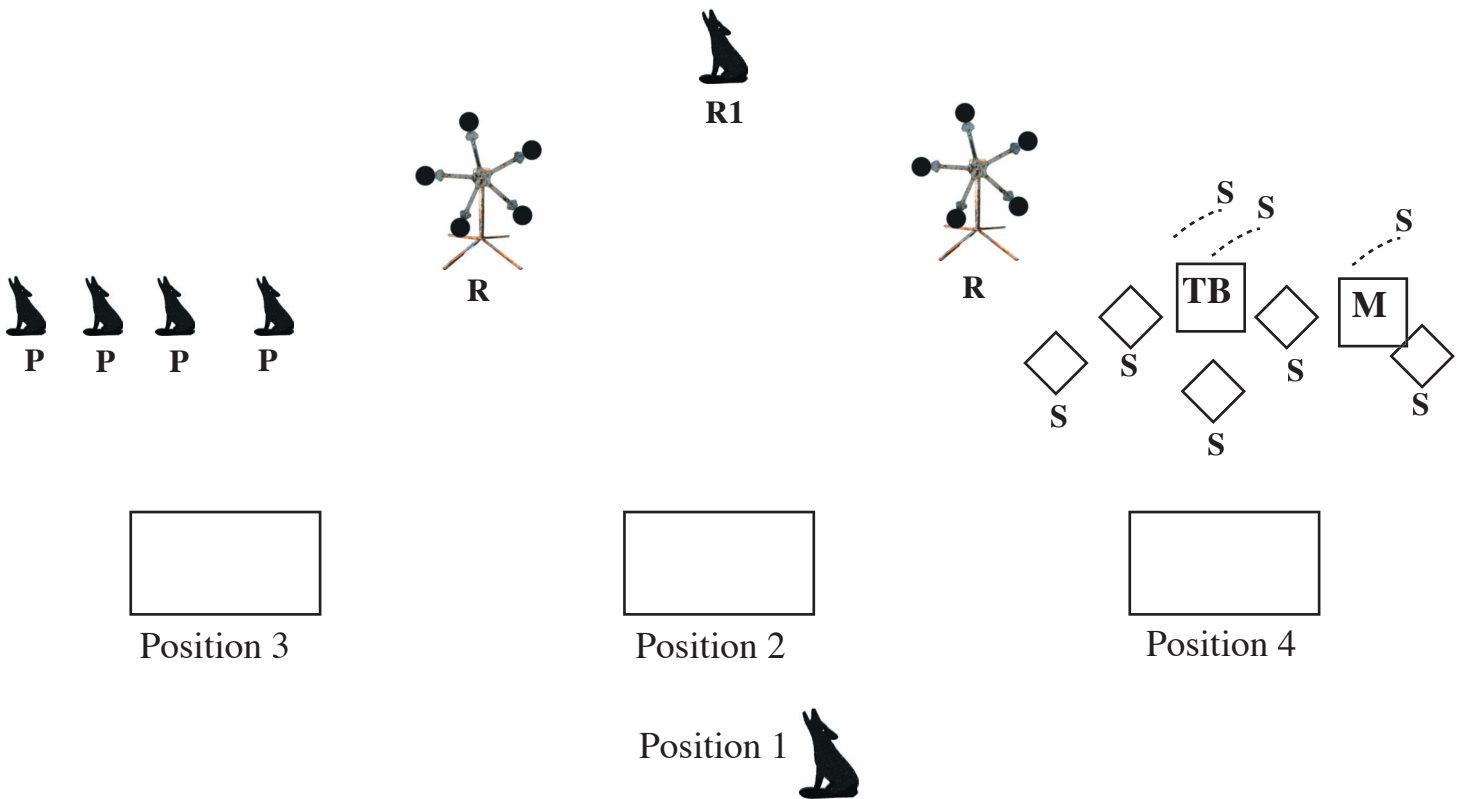

At the beep, shooters move to their respective position 2. Nevada sweep pistol targets, starting either end. Repeat instructions with second pistol. Move to position 3. With rifle, each shooter will do two sweeps left to right, alternating shots on each target with partner (shooter 1 shoots R1 once, then shooter 2 shoots R1 once; shooter 1 shoots R2 once, then shooter 2 shoots R2 once; continue for two sweeps). If shots do not alternate between shooters, it is a procedural...and a long ride home.

Shoot shotgun targets until down. However, shooters may not engage the targets on their partner's side until after the Time Bomb has detonated (birds fly). The shooter on the RIGHT SIDE may trigger the Time Bomb at any time after the rifle sequence. BUT, it must be triggered with a rifle. (Yes, that means you will need to reload - at some point - as many rounds as it takes to trip the trigger.) After the birds fly, BOTH shooters may engage ANY remaining shotgun targets. A hit is a hit and a miss is a miss on the birds.

DOUBLE DOG DARE

STAGE 6

THIS IS THE INVITATIONAL SHOOT-OFF FOR THE TOP DOGS. YOUR CHALLENGE WILL BE ISSUED AT SATURDAY EVENING'S DINNER. NO PAIRINGS. JUST YOU AND THE PERSNICKETY PUPS. WE'LL ALL WATCH TO SEE WHO CAN RUN WITH THE BIG DOGS. NO DOUBT, THIS STAGE WILL LEAVE EVERYONE'S TAIL WAGGING.

10 pistol - 20 rifle - as many shotgun as needed

Shooter begins at position 1 with leash in both hands. Rifle(s) staged at position 2, shotgun staged at position 4. To indicate ready, yell out "I double-dog dare you!"

At the beep, move to position 2. Use rifle to engage the rolling target with 10 shots. Move to position 3. Using both pistols as needed, Dachshund sweep the four pistol targets (dachshund sweep is the reverse of a badger sweep. 1-2-3-4-1-2-3-1-2-1). Sweep may begin on left or right.

Return to position 2. Use second rifle (or reload the first if you don't have any friends who were willing to loan you one) to ALTERNATE shots on the two Texas stars. Any plates not touching dirt are a miss.

Move to position 4. Use shotgun to engage all shotgun targets, any order. Time bomb may be triggered at any time. Miss on the bird or the soda can is a miss.

Wag your tail.
