MEMOS FROM OUR MAYOR, MAD DOG DRAPER...

Howdy All

First thing I would like to do is Thank You all for the work you folks did at our last match. I found myself worrying about how we were going to get everything done in time for the Shootout; it soon went to I can't believe how much got done. I guess I forgot that you should never underestimate the members of 5 Dogs and our friends. We will be having work parties the week end of April 24 and the 25, Saturday and Sunday, we will be setting steel, setting up all the rental stuff and generally putting all the final touches on everything . We would also need and appreciate help on SUNDAY setting up the Howling Wolf. This is one

job where we usually do get volunteers; wonder why? I will be going out to the range sometime on Wednesday the 21th if you have some free time and would like to help during the week leading up to the match we can surly find something to do.

Thanks Again

Mad Dog Draper
